Minor Surgery Score	n/a
----------------------------	-----

Scores Above 85% in all sections are compliant.

Scores between 76% and 85% are partially compliant in all sections.

Scores 75% or below are non-compliant.

Any GP practices who do not achieve 85% will be re-audited after a 3 month period.

If the audit score is above 85% but there are sections that score below 85%, we will review the action plan with you after 3 months.
